“The Funeral Service Association of British Columbia acknowledges the financial contribution paid for services provided through a funding arrangement with the Industry Training Authority, a British Columbia provincial government agency.”

 = Level I Classes

- Proper dress code must be followed during seminars and at embalming labs.
- All licensure students must bring in their own PPE for the embalming labs.
- The locations for the embalming labs will be announced at the seminar.
- All Level I apprentices in the licensure program must bring in their logbooks and evidence binders and outstanding case studies. The level I apprentice logbooks and evidence binders will be reviewed and assessed on Wednesday, January 19.
- For Level II apprentices: there are 3-4 Level II apprentices that will require a follow-up assessment on their logbooks and evidence binders. This assessment will take place on Tuesday, January 18. Please ensure that you have the necessary binders and documents with you.
